

Groundwork Indy's New HQ

Burdsal Fire Station (Former IFD 23)

975 Burdsal Parkway

Groundwork Indy has partnered with the City of Indianapolis to rehabilitate a historically significant firehouse that has stood vacant for 13 years. Groundwork Indy hopes to not only give new life to a pillar of the community, but to find a permanent home for the organization.

GWI seeks donors to help make this project come to life

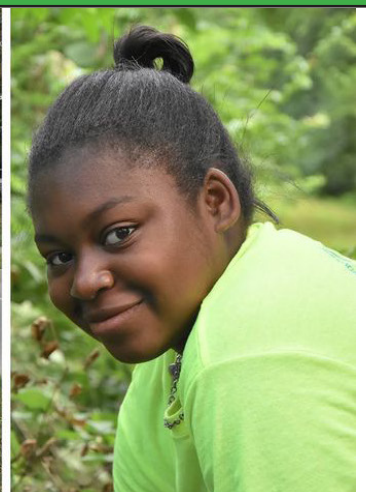

- \$25,000 mini food pantry to serve neighborhood

- \$10,000 for lighting

- \$30,000 to replace overhead doors

- \$10,000 for cabinets and storage

Groundwork Indy is currently financially supported in this effort by Arthur Dean Foundation, Herb Simon Foundation and private donations.
